

JOE & NOEMI SZABO

Assemblies of God Missionaries

Serving as Area Directors for Southern Europe (Portugal, Spain, Canary Islands, Andorra, Malta, Italy, Greece, Cyprus)

- **Joe and Noemi Szabo** became interested in full-time missions work in 1980 following a 3-month assignment in Germany where they served with Teen Challenge. Later, after pastoring in the USA for almost 6 years, they received AGWM appointment to do church planting in Spain.
- The Szabos led three church planting efforts in Spain (two on the Spanish island of Tenerife and one in Madrid) from 1991-2004. All three churches continue and are growing. Joe also taught part-time in Bible Schools, preparing Christian leaders for effective ministry.
- From 2005 to 2015 the Szabos worked with Global University (GU). During their 10 years with GU, new evangelism and discipleship materials were developed. Joe traveled around the world to preach and teach as well as coordinate 200 overseas GU offices. Hundreds of pastors and church leaders finished accredited degrees in Bible and Theology, Christian Education, and Missions during these fruitful years.
- From 2015 to 2017 the Szabos led Brussels Christian Center in Brussels, Belgium. This international church of 60 nationalities and hundreds of people touched many lives and was particularly influential during the 2015-2016 refugee crisis in Europe.
- From 2017 to present, the Szabos live in Malaga, Spain and serve as Area Directors for AGWM efforts in Southern Europe. They evangelize and preach, train, mentor, place, guide, and support our missionary team of about 150 people. They also serve as a resource and liaison with national church leaders.
- The Szabos have three grown children and five grandchildren.
- Joe is a graduate of North Central University (B.S. in Pastoral Studies, 1983), Trinity Seminary (M.A. in Theology, 2007), and Assemblies of God Theological Seminary (Doctor of Missiology, 2011).
