**ENGAGING THE MISSION • NETWORK SUMMIT 2022**

Dear Pastor or Missions Chairperson,

This publication is a directory of all the Wisconsin Northern Michigan US Missionaries.

It will be updated and continually available on 202060.org for our churches to print as a comprehensive directory. For security purposes, a directory of all of our our network World Missionarys is printed and distributed yearly at our Summit Missions Dinner or you may contact my office to request a copy.

If you need further information, please give us a call.

Thank you so very much for your continued support of the greatest enterprise in the world. The world so desperately needs Jesus!

Regards,

**Gayland Hendrickson**

# 202060 MISSIONS GIVING STRATEGY

## VISION

The Lord's strategy to see His Kingdom established throughout the world is clear:

*"... Jerusalem and into all Judea and Samaria,  
and to the ends of the earth!"*

## How does that play out in the 21st Century?

The Wisconsin-Northern Michigan Ministries Network will continue to promote the 20/20/60 missions giving strategy.

**20% JUDEA: CHURCH MULTIPLICATION**

**20% SAMARIA: US MISSIONS**

**60% TO THE ENDS OF THE EARTH:  
WORLD MISSIONS**

We believe that given time, ALL three strategic areas (Church Multiplication, US and World Missions) could see a substantial increase if ALL churches would adopt this 202060 strategy. The key factor is that giving to plant new church's generates more revenue for missionary giving.

## THREE SIMPLE STEPS

*This is a simple way to get your church on fire for missions and begin using the 202060 giving strategy. Here are some tips on how to get started.*

- 1** *Designate one Sunday a month as “Missions Sunday” and invite a missionary guest speaker to your church. This could include world and US missionaries and the continuity could inspire your people to be involved. Keep it simple and routine. Contact [cindy@wnmdag.org](mailto:cindy@wnmdag.org) for information about any of our district US Missions Ministries or World Missionaries or go to our website; <https://202060.org>*
- 2** *Utilize the free resources on AG Media Hub. Stream and download missions news and resource videos for your service time or use content on your church website. Keep your people informed of current and upcoming missions projects.*
- 3** *Offer an opportunity for your people to go on a missions trip every year. Partner with another church if needed. View our upcoming district-wide missions projects and events on our web site. <https://202060.org>*
